

ESCUELA VERA ANGELITA (“EVA”)

Legacy Naming Sponsorship

Nestled in the stunning cloud forests and surrounding coffee lands of northern Nicaragua, a novel innovation in education and international development has taken root. With aspirations of not only uplifting the educational standards of this often-overlooked part of the world, this new model endeavors to serve as a catalyst for wider, holistic, and sustainable community development as well.

An initiative of U.S.-based nonprofit organization Visions Global Empowerment, Escuela Vera Angelita is a private, nonprofit boarding school for girls who hail from underserved and vulnerable communities across Nicaragua. In January 2022, the school first opened its doors to our inaugural class starting with Grades 5-8 only, though it will ultimately serve young women from Grades 5-12.

We are offering dozens of Legacy Naming Sponsorship opportunities for developments throughout our entire 437-acre EVA campus for everything from classrooms to residential villas to garden walks to sustainable farm operations! Once you make your selection, you may choose from the following options for naming:

- In Honor of
- In Memory of
- Sponsored By
- Other: _____

Though it is of course your decision, we here at EVA would like to encourage all Legacy Naming Donors to name your selection after an inspiring woman in your own life, such as your mother, grandmother, aunt, friend, mentor, daughter or colleague.

The Escuela Vera Angelita mural of ‘Women Who Inspire Us’, honoring past and present women leaders from throughout Latin America and the world

Along with an existing school mural dedicated to past & present female role models, we believe our students should find inspiration in learning about the lives of the women honored throughout the campus through this initiative.

Following an initial 10% general withholding by Visions that will be used to help meet ongoing operating & programmatic expenses of the organization, 40% of all Legacy Naming Sponsorship funding will help to cover the immediate operating costs of the school itself, while the remaining 50% will be placed in an endowment to be invested and monitored in order to secure the future of EVA in perpetuity, thereby allowing your gift to support the school both now and well into the future.

As a Legacy Naming Donor, you are entitled to the following benefits:

- ★ Permanent naming rights of your selection, which will be marked with a Legacy Donor placard. We invite you to come for an in-person special unveiling ceremony and to provide us with a short bio of the individual(s) or company you are choosing to honor.
- ★ Opportunity to join us annually in Nicaragua for the “EVA Cloud Forest Experience” whereby you and one guest can experience this amazing location and stay in one of our onsite guest villas for a 4-night/5-day stay, including farm-to-table meals, 24-hour security, airport transfer to/from the airport, and access to our onsite city shuttle service and all onsite guest activities and excursions.
- ★ Receipt for your tax-deductible contribution (*minus the cost of any goods & services received).
- ★ For donors giving more than \$50K, we invite you and a guest to join us on a private jet trip to Nicaragua with all excursions included! These trips will be organized for approximately 8-10 total guests.
